PARENT CODE OF CONDUCT

It is the Early Learning Coalition's (ELCAC) expectation that the business of the agency be conducted according to the highest ethical standards. In support of this expectation, a set of standards for conduct are essential for ELCAC's to prosper and receive the desired trust and respect of children, youth and families, employees, the Board of Directors, suppliers, and the community. The underlying principles of these standards are based on respect, courtesy, moral standards, and the law. These principles ensure the continued success of the services and programs provided by ELCAC. Staff is required to follow a code of conduct and we expect the parents we serve to do so as well.

The Parent Code of Conduct will include, but not be limited to, the following items:

- Parents will treat ELCAC staff members with respect, and follow agency procedures regarding disagreements and concerns by asking to speak to a supervisor. It is never appropriate for a parent to threaten a staff member in any way.
- Parents will address misbehaviors of their own children in the ELCAC office in a positive way. No physical or harsh verbal punishment of children is allowed here. This includes, but is not limited to, striking your child in any way, cursing at your child, or threatening your child. If your child is disruptive to other parents conducting business at ELCAC, you should reschedule your appointment.
- When in the presence of children in the lobby, parents will use language appropriate for young children to hear. Cursing/swearing is not allowed.
- To support a safe, happy environment for our children, parents will address problems with other parents and staff in a quiet, private manner in a designated interview area, not in the parent lobby.
- Parents must keep their children with them at all times at the office. When a parent moves from the lobby to an interview room, your child is welcome to bring toys and books to the interview room. Children must not be left unattended in the lobby. Parents who leave the office temporarily must take children with them.
- A changing table is available for you, please use it as needed and take the used diapers with you in the provided bags.
- Parents will clean up after themselves and their child and not bring drinks or food into the office.

Failure to comply with the expectations outlined may result in a supervisor approaching the family involved to address the issue of concern. It is not our wish to exclude or terminate the enrollment of any child or family. If the situation arises, however, that places staff, children, or other customers at risk; the Early Learning Coalition reserves the right to ask a parent to leave our offices and to re-evaluate the enrollment status of a family.
