EVALUATION OF DIRECT ENHANCEMENT SERVICES

Evaluation of Direct Enhancement Services

COMPREHENSIVE CONSUMER EDUCATION

Describe how the Coalition developed, established, expanded, operated, and coordinated resource and referral programs specifically related to the provision of comprehensive consumer education to parents and the public to promote informed child care choices.

The SR Parent Portal has changed the delivery of comprehensive consumer education to parents regarding participation in school readiness and parental choice for the ELCAC. Parent Onboarding Orientation is offered via Zoom and in addition parents receive an SR Funding Notification Email. This email includes information on how to choose an early educational program, the contact information for the CCR&R Coordinator for assistance with requesting a list of providers, and documentation needed to have a successful SR interview. Email, phone conversations, and community events are ELCAC's main sources to deliver comprehensive consumer education to parents and the public regarding participation in the school readiness program and parental choice.

ELCAC CCR&R Coordinator along with the Family Services Director have created a parent Family Engagement Plan. The plan ensures ELCAC commitment to engaging families in a time when much of the services are not in person. Per DEL the goal of the Family Engagement plan is for ELC's across the state to make a "conscious effort of the parents and/or other family members to engage in a child's education and development by promoting positive behaviors and ensuring the child's well-being. Family engagement has been shown to increase motivation, reduce behavioral problems and improve social-emotional development of children. Further, family engagement fosters school readiness skills in young children such as impulse control, attention, memory and planning skills."

ELCAC collaborates with organizations that offer free materials, food, clothing, housing/utilities assistance, internet access, computer usage, notaries, access to copiers and faxes for families who may have limited access to telephone, internet and/or transportation. Families are referred to Partnership for Strong Families' community library/resource centers (3 locations), Alachua County Health Department Care Seat Safety Program, 211, Community Action Agency, Healthy Families, Healthy Start, Salvation Army, Catholic Charities, Gainesville Community Ministry, Eldercare of Alachua County, Alachua County Social Services, Gainesville Housing Authority, Alachua County Coalition for Homeless and Hungry for some emergency services.

ELCAC has established official partnerships Memorandum of Understanding (MOU's) with eighteen agencies.

- School Board of Alachua County – McKinney Vento
- CDS Family & Behavioral – Safe Place Program
- Central Florida Community Action Agency
- HIPPY
- Prekindergarten Interagency Council

PROVIDER FINANCIAL SUPPORTS

Provide a list of grants and financial supports (for example, awards or bonuses) offered to school readiness program providers and their staff to assist them in meeting applicable state requirements for the program assessment required under s. [1002.82\(2\)\(n\)](#), child care performance standards, implementing developmentally appropriate curricula and related classroom resources that support curricula, providing literacy supports, and providing continued professional learning and training.

Include the qualifying criteria to receive grants and financial supports and related monitoring activities to verify appropriate use of support.

If funding is available, providers may have the opportunity to receive supplies and materials periodically throughout the year to enhance and improve the classroom environment as a result of demonstrated best practices and continuous quality improvement.

The Coalition may also provide financial assistance for licensing fees to on-board new providers, if funding is available.

TRAINING AND TECHNICAL ASSISTANCE

Provide a list and description of trainings and/or technical assistance activities the coalition offered to school readiness program providers, staff, and parents in each of the following areas.

- Early Learning Standards

Providers are encouraged to have all teaching staff take ELS training online. Coaches frequently reference the standards when providing TA for teachers and directors. The ELCAC also provided four more trainings to support teachers to develop their knowledge in creating high quality environments through visual schedules and predictable routines. Schedules are one feature of a well-organized classroom. Schedules are important because they influence a child’s social and emotional development. It also provides predictability, enhances feelings of security, increases rates of engagement, and allows organization/structure for the day. Participants were encouraged to reflect on their classroom schedules for components of a visual schedule and make adjustments as appropriate for their classes developmental needs. The Routines trainings identified the importance of predictable routines, and explained why visuals are important for teaching and/or changing routines with children. Participants also identified challenges and potential solutions for establishing consistent program-wide routines. Predictable

EVALUATION OF DIRECT ENHANCEMENT SERVICES

routines are important to enhance a child’s feeling of safety and security, increase participation and engagement, and influencing children’s cognitive and social development.

- **Child Screenings**

All new providers are individually trained in the ASQ-3 & ASQ SE2 developmental screener as required in rule and law. Refresher training is given on a requested basis and when a center hires a new director, the Child Development & Inclusion Coordinator trains that director. Our Child Development & Inclusion Coordinator offers technical assistance with conducting ASQ-3 & ASQ SE2 developmental screeners with new providers as well as responding to Warm Line calls.

Four open provider trainings were facilitated by our Child Development & Inclusion Coordinator in the 2023-2024 year. ELCAC collaborated with the Center for Autism & Related Disorders to facilitate training on Supporting Children with ASQ & Associated Conditions in the Early Childhood Setting and Characteristics of Children with ASD & Commo Associated Conditions Such as ADHD. ELCAC also collaborated with the Child Advocacy Center to facilitate training on Trauma in the Early Years and with FDLRS to offer a Child Find Referral Process.

ELCAC has 10 SR providers participating in SR child assessment.

- **Child Assessments**

ELCAC has 10 SR providers participating in SR child assessment.

- **Developmentally Appropriate Curricula and Character Development**

The ELCAC supported Infant/Toddler providers by purchasing outdoor play items, including a sensory cube and an infant belly swing. These items support gross and fine motor development in students birth to two years.

- **Teacher-Child Interactions**

ELCAC uses the Anita Zucker Center’s Practiced-Based Coaching Model with many providers throughout Alachua County. Using the PBC model, staff worked with Directors and teachers to help achieve their targeted goals for best teaching practices based on their own self-need assessment. The choices for best practices are researched-based and were created to align with standards and dimensions supporting the Classroom Assessment Scoring System (CLASS) observation tool.

- **Age-Appropriate Discipline Practices**

ELCAC collaborated with the Center for Autism & Related Disorders to facilitate a training on Autism & Behavior Strategies to support children on the Autism Spectrum, potty training, and social skills. ELCAC collaborated with Meridian Behavioral Health to facilitate a training on Self-Care for teachers. ELCAC also collaborated with the Child Advocacy Center to facilitate a training on Trauma Informed Care for teachers and administration in Alachua County. ELCAC collaborated with the VPK Regional Facilitator to host two trainings on using the CLASS Assessment Tool. Other age-appropriate practices were trained on with the bi-weekly virtual trainings, covering topics including: Family supports, building positive relationships, behavior expectations, children’s engagement, emotional skills, teacher talk & zoning, social skills, cognitive development, strategies to prevent challenging behaviors, and accessing credible resources & materials.

- **Health and Safety**

ELCAC coaches provide ongoing TA regarding health and safety during site visits, and as follow up to DCF non-compliances/violation as referenced in the OEL-SR-6202 Form/Handbook.

QUALITY ACTIVITIES FOR INFANT AND TODDLER CARE

Provide a description of the quality activities and services the coalition provided to enhance infant and toddler care.

Coaches visit infant and toddler rooms regularly through Practice-based Coaching and Technical Assistance to ensure safe and appropriate environments are offered to the youngest children. To the extent possible, furnishings and materials are provided to meet the needs of this age group. For example, during Provider Appreciation Week, in addition to Wishlist requests, infant and toddler providers received \$500 worth of materials to implement within their classrooms. Coaches offered Professional Development trainings (in-person and virtual) tailored to the infant & toddler age group and also facilitated a CLASS Group Coaching Cohort for the infant & toddler age group.

MONITORING

Describe the process for monitoring compliance with, and enforcement of, applicable state and local requirements.

The School Readiness Provider Monitoring Tool (Form DEL-SR 20M) instructions for Tier 1 are followed. For Tier 2, a random sample of providers consisting of all types (Center, Family Homes, Large Family Homes) will be monitored using the School Readiness Provider Monitoring Tool (Form OEL-SR 20M). Staff will monitor the providers during various months throughout the year using the tool. Corrective Action Plans and Technical Assistance will be issued for providers found to be non-compliant. An Excel spreadsheet is maintained to track all progress and corrective actions.

EVALUATION OF DIRECT ENHANCEMENT SERVICES

Voluntary Pre-Kindergarten (VPK) Monitoring ELCAC uses form DEL 530.05 Attachment A VPK Monitoring Tool. All VPK Providers on Probation are included in the Minimum Annual Sample Size for the annual monitoring. Page 92 of the Form DEL-GA 2022-2023 is followed for determining the minimum sample of VPK Providers to be monitored for the Program Year. If errors are found, Corrective Action Plans and Technical Assistance will be issued. ELCAC does not use page 91 of the Form but has added the last page to the final report which includes the identified corrective actions needed and the time frame for the VPK Provider to complete them. Additionally, ELCAC is accessing the DEL Tableau Reports for the required VPK-FAST Star Early Literacy testing of enrolled VPK children to monitor that Providers are meeting the requirements of Rule 6M-8.620. Finally, throughout the year, VPK-APP Contract revisions are completed as needed and are only approved if all requirements are met.

INCLUSION

Describe the activities the coalition has implemented to promote inclusive child care, including responding to Warm-Line requests by providers and parents, and providing developmental and health screenings to school readiness program children.

ELCAC promotes an inclusive environment in all Child Care Centers in Alachua County. Each provider is trained on the ASQ-3 & ASQ-SE2 screeners to screen children in their care. The Child Development & Inclusion Coordinator communicates regularly with providers to provide technical assistance with screeners. The Child Development & Inclusion Coordinator also replies to Warm Line calls and messages and provides support to parents and providers if they have questions about screenings or behavior issues. The Child Development & Inclusion Coordinator schedules child observations as requested by both parents and providers. All school readiness children that receive funding from ELCAC are screened.
