

Pending & Approved

VPK providers must renew their VPK Contract every year. If a provider has a “*pending*” status in this list, that means their 2025-2026 VPK Contract is still in progress, but it is expected to be approved before their school year begins. You may call these providers for any details missing from this list even when they are pending approval. More information and resources can be found on the last page.
