

RFP#2026-003 Information Technology, Data Security, and Technical Support Services Q &A

1. Question:

I'm reaching out to you today because we were notified of this RFQ and would like to respond to it. However, we just have a few questions we'd like to clear up. (see below)

- What kind of devices is the district looking for? Laptops? Chromebooks? Desktops?
- What are the specifications of the devices the district is looking for?
- Is the district interested in peripherals? If so, what kind?
- Is the district interested in any kind of warranties or Accidental Damage Protection?

Answer:

Good morning,

We are currently looking for Information Technology, data security, and technical support services for the devices we currently have in-house. Please see the link below for our current RFP's and supporting documents. Have a wonderful day.
